Warrant for Town Meeting

To the inhabitants of the Town of Fremont in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Fremont Town Hall in said Fremont on Tuesday the thirteenth day of March next at ten of the clock in the forenoon to act upon the following subjects:

1. To choose all necessary Town Officers for the ensuing year.
2. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same.
3. To hear the report of the Budget Committee and take such action as the Town deems necessary.
4. To see if the Town will vote to appropriate and withdraw from the current surplus the sum of \$2,500.00 to be used to paint the walls and ceilings of the Town Office Areas, Entrance Hall and the lower meeting hall of the Fremont Town Hall. These funds to be used as an offset against the Town Hall and Other Buildings Budget.
5. To see if the Town will vote to raise and appropriate the sum of \$2,500.00 to make the required modifications on the Fremont Town Hall as required by the State Fire Marshalls Office to meet fire safety regulations.
6. To see if the Town will vote to raise and appropriate the sum of \$3,000.00 to move the Old Library Building (First Aid Station) from its present location to a new location at the site of the present Library and provide the required foundation and connecting roof and wall modifications.
7. To see if the Town will vote to appropriate and withdraw from the current surplus the amount of \$1,316.42, the funds realized from the sale of lumber cut from the Little League Field Town Land Area during the year 1978. These funds to be used to grade and provide an area for laying out and providing a playing field for use by the Pony League. These funds to be used as an offset against the Recreation Budget.
8. To see if the Town will vote to raise and appropriate the sum of \$2,400.00 for the purchase of one Frink Snow Plow.
9. To see if the Town will vote to raise and appropriate the sum of \$5,000.00 for use by the Town Road Agent to seal Town Roads.
10. To see if the Town will vote to raise, appropriate and allocate the additional Highway Subsidy Funds which may become available under the provisions of RSA 241:15 as amended, for the year 1979, said funds believed to be in the amount of \$4,330.82 and to be used for the construction or reconstruction of Class IV and Class V highways.
11. To see if the Town will vote to raise and appropriate the sum of \$15,000.00 for the complete re-valuation of all property in the Town in accordance with the Order issued by the State Board of Taxation on April 28, 1978, in accordance with RSA 75:1 to become effective as of April 1, 1979.

12. To see if the Town will vote to raise and appropriate the sum of \$10,000.00 to be deposited in the Class A Pumper Fire Truck Capital Reserve Fund established in 1976 and authorize the withdrawal of this sum for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.
13. To see if the Town will vote to transfer the balance of the principle and accrued interest to the date of withdrawal, of the Town Building Capital Reserve Fund established by Act of the Town Meeting held on March 13, 1962 to the Class A Pumper Fire Truck Capital Reserve Fund established in 1976. *(2/3 Vote required for passage)*
14. To see if the Town will vote to transfer the Principle and accrued interest to the date of withdrawal, of the Capital Reserve Fund for the Town Dump established by Act of the Town Meeting of March 10, 1970 to the Class A Pumper Fire Truck Capital Reserve Fund established in 1976. Further to transfer the principle and accrued interest to the date of withdrawal, of the Waste Disposal Funds deposited in the Town Dump Capital Reserve Fund voted at the Town Meetings of 1971, 1972 and 1973 to the Class A Pumper Fire Truck Capital Reserve Fund established in 1976. *(2/3 Vote required for passage)*
15. To see if the Town will vote to appropriate and withdraw from the current surplus the sum of \$6,500.00 to be deposited in the Class A Pumper Fire Truck Capital Reserve Fund established in 1976.
16. To see if the Town will vote to raise and appropriate a sum not to exceed \$70,000.00 for the purchase of a Class A Pumper Fire Truck and to authorize the withdrawal from the Class A Pumper Fire Truck Capital Reserve Fund established in 1976, the principle and accrued interest to the date of withdrawal and to authorize the Selectmen to appoint a committee to negotiate the purchase of this equipment. This committee to consist of the Board of Selectmen, three Officers of the Fremont Fire Department and three Members at Large from the Town.
17. To see if the Town will vote to raise and appropriate the sum of \$13,000.00 to cover the balance required for the purchase of the Class A Pumper Fire Truck. *(Majority Vote Required)*
18. To see if the Town will vote to raise and appropriate the sum of \$13,000.00 to cover the balance required for the purchase of the Class A Pumper Fire Truck and to authorize the Selectmen to issue and sell Notes or Bonds for all or any portion of the sum appropriated in accordance with the provisions of the Municipal Budget Act. *(2/3 Vote required for passage)*
19. To see if the Town will vote to raise and appropriate the sum of \$761.40 to cover the cost of 1979 Dues in the Southeastern New Hampshire Regional Planning Commission.
20. To see if the Town will vote to raise and appropriate the sum of \$150.00 to complete the Animal Shelter Facilities required by Chapter 580 enacted by the General Court in 1977.
21. To see if the Town will vote to raise and appropriate the sum of \$2,200.00 for Mosquito control by the Rockingham County Mosquito

- Control Project in the Town of Fremont during the year 1979.
22. To see if the Town will vote to accept from Paul D. and Bonnie L. Danforth the Deed to the Town of Fremont covering approximately 0.4 Acres of land located adjacent to the Fremont Village Cemetery described as follows: Beginning at a point at the Southeasterly corner of the described premises and at the Northwesterly corner of the land now or formerly of Marquis and thence running South 51° 41' West 236.3 feet to a point at the brook, thence turning and running Northwesterly along the brook to a point at the Southwesterly corner of other land of the Town of Fremont, being known as the Fremont Village Cemetery; thence turning and running North 64° 32' East along said cemetery land 228.14 feet to a point; thence turning and running South 19° 22' East 47.4 feet to the point of beginning; containing 0.4 Acres, more or less.
 23. To see if the Town will vote to take deeded title to the paved section of a certain street named Louise Lane located in Poplin Acres Development from Charles K. and Louise M. Rowe, the present owners. The requested road to be accepted is approximately 1,300 feet in length and runs Easterly from Rowe Drive to the Ridge Road.
 24. Upon application of fifteen (15) legal voters, to see if the Town will vote to recind and cancel the vote taken at the Annual Town Meeting in March of 1943 pursuant to Article 5 of the Warrant for said meeting whereby a part of the Ridge Road, so called, was closed subject to Gates and Bars, said recission and cancellation only to extend to the portion of Ridge Road beginning at the house located on the Steele property (Lot 4-1 on Tax Map) and running to the Southerly boundary of SBS, Inc. property (Lot 4-8 on Tax Map), so that such portion of the Ridge Road shall hereafter be an open highway. This section of road will be re-established by SBS, Inc. at their expense to the standard of the present Ridge Road to which it becomes an extension as approved by the Town Road Agent. The reconstruction of this section of road need not be completed prior to sub-division approval.
 25. Upon application of ten (10) legal voters; to see if the Town will vote to change the name of Old Ridge Road to Cross Road, said road extending between North Road and Ridge Road.
 26. To see if the Town will vote to grant to Michael and H. Nadine Homola a right and easement to travel by foot or by vehicle from Main Street over the Town Hall property in the area of the driveway and parking lot to obtain entrance to their existing garage, subject to the right of the Town to temporarily block said easement area from time to time with motor vehicles parked there and to authorize the Selectmen to execute such a right and easement on behalf of the Town.
 27. To see if the Town will vote to authorize the Selectmen to sell property acquired by Tax Collector's Deed at public auction.
 28. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of Taxes.

29.To see if the Town will vote to authorize the Selectmen to apply for, contract for, accept and expend aid from Federal, State and County Governments, including but not limited to programs such as Manpower, CETA, etc., in such sum or sums as may become available.

30.To see what action the Town will take by ballot on the following question: Are you in favor of the adoption of the following changes and amendments to the existing Town Zoning Ordinance as proposed by the Fremont Planning Board.

1. Article IV — Section 2

Delete reference to Lakes, Ponds, Rivers and Shoreline so that the Article will read as follows with the omission of the words and phrases enclosed in brackets:

"Every building lot shall have a minimum lot frontage on Federal, State and Town Highways, (Lakes, Ponds, and Rivers) of 150 feet provided that where lots are located on exterior side of a curving street (or shoreline) a shorter front dimension shall be permitted, provided that the average width of the lot measured across its center shall be 150 feet etc."

2. Article V — Section 11

Add the phrase "single or" so that the amended Section will read as follows:

"All existing structures if converted into single or multiple family dwelling units shall meet all requirements specified in the current zoning ordinances".

31.To transact any other business that may legally come before this meeting.

NOTE: In accordance with RSA 39:2A adopted at the March Town Meeting of 1972 the first session of the Town Meeting for the consideration of the ballot Articles will open on March 13, 1979 at 10:00 o'clock in the forenoon and will remain open until 7:00 o'clock in the evening. The second session for the consideration of the remainder of the Warrant Articles will be held at the Fremont Town Hall on Wednesday, March 14, 1979, at 8:00 o'clock in the evening.

Given under our hands and seal this 13th day of February in the year of our Lord Nineteen Hundred and Seventy Nine.

AUDITORS QUESTIONNAIRE

Revenue Sharing Fund

Fiscal Year Ending December 31, 1978 (June 30, 1979)

TOWN AUDITORS OF FREMONT, N. H.

Gentlemen:

Please answer the following questions relative to the examination of Revenue Sharing Funds, fill out the attached Report of Examination and forward a copy of both to the Municipal Services Division, Department of Revenue Administration, 19 Pillsbury Street, P. O. Box 457, Concord, New Hampshire 03301, as soon as you audit is completed.

1. Did you verify the receipt of Revenue Sharing Funds and trace the receipt to the town records and bank statements? *Yes*
2. Did the town establish a Revenue Sharing "Trust Fund:" *Yes*
If so —
 - (a) In separate account on books?
 - (b) In separate bank accounts? *Yes*
3. Are any Revenue Sharing Funds invested in banks, certificates of deposit, etc.? *Yes*
4. Did you verify the existence of the investments by sighting bank books or by correspondence? *Passbook examined*

5. Did you verify by computation the amount of interest earned on these investments? *Yes*
6. Did you determine that Revenue Sharing Funds have been used, obligated or appropriated? *Yes*
7. If not used, obligated or appropriated have you verified the unexpended balance? *Yes*
8. Have you examined invoices, purchase orders and cancelled checks in support of expenditures? *Yes*
9. Did you determine that Revenue Sharing Entitlements have been appropriated or expended in accordance with the laws applicable to the expenditure of the Town's own revenues? *Yes*
10. Have Revenue Sharing Funds been transferred to a secondary recipient, i.e., to another unit of government? *No*
11. The amount of unexpended Revenue Sharing Funds in the custody of the Town Treasurer on December 31, 1978, (June 30, 1979) amounted to \$3,106.18, as stated in the attached statement of revenue, expenditures, and fund balance.

Signed,
Herman Ostendorf

Mr. C. Merton Healey made the motion to accept this article as read. The motion was seconded by Elizabeth Stanley. Discussion.

Passed by voice vote.

Article 11 — To see if the Town will vote to raise and appropriate the sum of \$5,000.00 for use by the Town Road Agent to seal Town roads.

Mr. C. Merton Healey made the motion to accept this article as read. Mr. Robert Waddell seconded the motion. Discussion.

Passed by voice vote.

Article 12 — To see if the Town will vote to raise and appropriate the sum of \$500.00 to be used by the Selectmen to make revisions, as required, to the Fremont Tax Map.

Mr. Robert Waddell made the motion to accept this article as read. Mr. George Baker seconded the motion. Discussion.

Passed by voice vote.

Article 13 - To see if the Town will vote to raise and appropriate the sum of \$2,300.00 for one Frink Snow Plow. Mr. C. Merton Healey made the motion to accept this article as read. Mr. Robert Waddell seconded the motion. Discussion.

Passed by voice vote.

Article 5 — To see if the Town will vote to appropriate and authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as set-offs against budgeted appropriations for the following specific purposes and in the amounts indicated herewith; and further to authorize the Selectmen to make pro rata reductions in the amounts if estimated entitlements are reduced or take any other action hereon:

Appropriations	Amount
Newmarket Health Center — <i>Article 7</i>	\$ 300.00
Ray-Fre Senior Citizens Center — <i>Article 8</i>	200.00
Mosquito Control Materials — <i>Article 9</i>	500.00
Animal Shelter Facilities — <i>Article 10</i>	500.00
Tax Map Revisions — <i>Article 12</i>	500.00
Town Hall — Heat, Light	1,500.00
Town Officer's Expenses	1,500.00
Street Lighting	2,100.00
Frink Snow Plow — <i>Article 13</i>	2,300.00

Mr. George Baker made the motion to accept this article as read. Mr. Robert Waddell seconded the motion. discussion.

Passed by voice vote

Article 14 — To see if the Town will vote to raise and appropriate the sum of \$700.00 as its share of a project to provide the Police Department with one (1) Portable Moving Radar Unit. Matching Funds for this project to be applied for from the State of New Hampshire Highway Safety Agency. Motion made by Mr. George Baker to accept this article as read. The motion was seconded by Mr. Robert Waddell. Discussion.

Passed by voice vote.

Article 2 — Mr. Robert Waddell made the motion to postpone Article 2 until Article 3 had been acted upon. The motion was seconded by Mr. George Baker.

Passed by voice vote.

Article 3 — To hear the report of the Budget Committee and take such action as the town deems necessary. Mr. George Baker made the motion to accept the report of the Budget Committee as printed. Mr. Robert Waddell seconded the motion. Discussion.

Passed by voice vote.

Article 2 — To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same. Mr. Robert Waddell made the motion that the town vote to raise and appropriate \$105,664.17 to defray Town charges for the ensuring year and make appropriations of the same. The motion was seconded by Mr. George Baker.

Passed by voice vote.

Article 15 — To see if the Town will vote to authorize the Selectmen to sell, by Quit-Claim deed, to Walter E. Cook a portion of the Town Dump Area, containing approximately 50,000 square feet of area, abutting his property at a cost of \$4,000.00. The parcel to be deeded is described as follows: Beginning at a point on Danville Road — Route 111A at the Northeasterly corner of the land of Walter E. Cook (Lot 2-43 on Town Tax Map), thence running south 400 feet along Danville Road to a point thence turning and running in a Westerly direction approximately 300 feet to the Southeastern corner of Lot 2-43 thence turning and running in a Northeasterly direction 423 feet to the point of beginning. Mr. Robert Waddell made the motion to accept the article as read. Mr. C. Merton Healey seconded the motion. Mr. George Baker made the following amendment: 423 feet to the point of beginning and to authorize the Selectmen to deduct the cost of the peripheral survey of the land area involved to meet the requirements of the Land Sub-division regulations of the Town of Fremont to be taken from the proceeds of the sale. Mr. George Bassett seconded the motion. Discussion.

Amendment passed by a voice vote.

Main motion with amendment passed by voice vote.

Article 15 as passed read as follows: To see if the Town will vote to authorize the Selectmen to sell, by Quit-Claim deed, to Walter E. Cook a portion of the Town Dump Area, containing approximately 50,000 square feet of area, abutting his property at a cost of \$4,000.00. The parcel to be deeded is described as follows: Beginning at a point on Danville Road - Route 111A at the Northeasterly corner of the land of Walter E. Cook (Lot 2-43 on Town Tax Map) thence running south 400 feet along Danville Road to a point thence turning and running in a Westerly direction approximately 300 feet to the Southeastern corner of Lot 2-43 thence turning and running in a Northeasterly direction 423 feet to the point of beginning and to authorize the Selectmen to deduct the cost of the peripheral survey of the land area involved to meet the requirements of the Land Sub-division regulations of the Town of Fremont to be taken from the proceeds of the sale.

Article 16 — To see if the Town will vote to authorize the Selectmen to sell property acquired by Tax Collector's Deed at Public Auction.

Mr. C. Healey made the motion to accept this article as read. Mr. Robert Waddell seconded the motion.

Passed by voice vote.

Article 17 — To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes. Motion made by Mr. George Baker to accept this article as read. Seconded by Mr. Robert Waddell.

Passed by voice vote.

Article 18 — To see if the Town will vote to authorize the Selectmen to appoint a Solid Waste Disposal Committee consisting of the Board of Selectmen, two (2) Planning Board Members and four (4) members at large selected from the Town to consider the proposals of the Rockingham County Solid Waste Committee and make recommendations of proposed action to be taken.

Mr. Robert A. Waddell made the motion to accept article as read. Mr. C. Merton Healey seconded the motion. Discussion.

Passed by a voice vote.

Article 19 — To see if the Town will vote to authorize the Selectmen to apply for, contract for, accept and expend aid from Federal, State and County Governments, including but not limited to programs such as Manpower, CETA, etc. in such sum or sums as may become available.

Mr. George Baker made the motion to accept the article as read. Mr. Elizabeth Stanley seconded the motion.

Passed by a voice vote.

Article 20 — To see what action the Town will take by ballot on the following questions: Are you in favor of the following ammendments to the existing sections of the Town Zoning Ordinance as proposed by the Fremont Planning Board?

Article III - Section 6 (New) Recreational Camping Areas:

- I. Recreational Camping Areas are permitted in the Town of Fremont provided that they first must receive the approval of the Fremont Planning Board. Such approval to be considered by the Board after a public hearing held in accordance with the Board's usual procedures.
- II. The Planning Board shall consider all aspects of the recreational camping area proposed and its affect on the surrounding area and the Town in general. The Planning Board shall consider the following, which are minimum requirements for a recreational camping area:
 - A. New Hampshire Water Pollution and Control Regulations must be fully complied with.
 - B. The minimum area size of a recreational camping area shall be at least twenty-five (25) contiguous Acres.
 - C. Campsites
 1. No Camping area shall have more than two hundred (200) individual sites.
 2. No grouping of individual sites shall be greater in

number than fifty (50) and such grouping shall be at least four hundred (400) feet apart.

3. Each site shall contain at least 3,500 square feet and shall have at least fifty (50) feet of frontage on an access road, whether public or private.
4. No more than six (6) people per site shall be permitted.

D. Setbacks

1. No uses of any kind in a recreational camping area shall be located any closer than one hundred and fifty (150) feet on any property line.
2. No uses of any recreational camping area shall be located any closer than one hundred and fifty (150) feet of the mean high water mark of any body of water.

E. Roadways

1. Major access roads shall at least meet the minimum standards set by the Town of Fremont.
2. Private access roads shall be at least twenty-two (22) feet in width.
3. All roads, major or private, must meet emergency vehicle use standards set by the Town of Fremont and the Fremont Fire Department.

F. Recreational Facilities

Each recreational camping area shall maintain adequate recreational facilities relating the same to the size and type of camping area and the number of sites proposed and shall be in accordance with generally accepted standards regarding such facilities.

- G. A recreational camping area shall open no earlier than April 1st and must close no later than December 1st in any calander year. There shall be a fine of \$10.00 per day per site for any trailer or other vehicle and or structure which remains on any site beyond such time limit and such fine shall be collectible from the property owner or owners of the camping area.

- III. The Planning Board shall also have the further authority to review the approval of any existing recreational camping area when it believes that any substantial change in original intent or theme may have taken place since such approval. In doing so, the Planning Board shall review the representations, plans, documents and related materials as presented by the original application for approval.

Voted on by Ballot on March 14, 1978.

Article 21 — To transact any other business that may legally come before this meeting.

Mr. Theron Young, Sr., introduced the following resolution:

Be it resolved that the Town of Fremont, New Hampshire strictly enforce Chapter 466 of Revised Statutes Annotated.

The Moderator asked Mr. Young if he wished to have Article 10 reopened and have his resolution a legal part of meeting. Mr. Young made the motion to have Article 10 reopened. Mrs. Elizabeth Rand seconded the motion. Discussion.

Defeated by voice vote.

Mrs. Elizabeth Stanley made the motion to adjourn.

Mr. Robert Waddell seconded the motion.

Meeting adjourned at 10:15 p. m.

Respectfully submitted

Report of the Selectmen

The Town fared well this past year, and we ended the year with a small surplus. By adjusting the land values closer to the actual average selling price, and a small amount of extra monies from the State, we were able to decrease the tax rate.

Unfortunately, a spinoff effect of a decreased tax rate can result in so-called spending fever. We ask you, as the tax payers of the Town, to look very closely at both the School and Town Budgets.

The oil refinery issue is still in limbo as far as the Town of Fremont is concerned. This office has had no contact whatever since early in the year.

The Planning Board has authorized the setting up of a sub-committee to develop a Community Plan or Master Plan. We wholeheartedly endorse this effort and solicit your support and help in developing this Plan.

We now have a very good, sound set of regulations on zoning. These regulations are based on peoples' needs, and good sound reasoning. Most of the other towns around us have gone to extremes with restriction upon restriction. We need this Community Plan and a continued level-headed approach in keeping the zoning laws updated and protected.

We take this opportunity to thank Mrs. Gertrude Butler for the generous gift to the Town of the books, "Roberts Rules of Order Revised and Demeter's Manual of Parliamentary Law and Procedure.

These are to be used by all Town officials as references in memory of William S. Butler, Commander USN (Ret.) "Bill" was a man very adept in the use of protocol and should be emulated by us all in the conduct of our meetings.

Respectfully submitted to the Town by

Robert A. Waddell

Merton E. Healey

George H. Baker, Jr.

Selectmen

Town of Fremont, New Hampshire

Report of the Road Agent

The program of sealing of the worst sections of roads to prevent further deterioration has begun. I plan to spread this program out over a period of about three years.

The State has given us special money to be used only for construction or reconstruction of roads, and we were able to complete a section of South Road with this money.

There are still quite a number of culverts that need replacing and rebuilding. I would like to do this in the coming summer.

The cost of salt has increased, and the use of sand will be used more than in the past.

The problem of Riverside Drive and Tibbs Grove remains. As these are private roads, the Town has no obligation to maintain them. We need the cooperation of the residents in these areas to get this problem resolved. Let's work together.

Respectfully submitted,

Leon F. Holmes, Sr.

Road Agent

Report of the Fremont Fire Department

To the residents of Fremont, I respectfully submit the annual report of the Fire Department, for the year 1978.

This year has been very productive in several ways for your Fire Department. We have finally succeeded in getting our 5000 gallon tanker in service. This was quite a feat in that we had to obtain two junk tractors from the U. S. government Surplus Program, one in Bayonne, N. J., the other from Davisville, R. I. Between these two tractors we were able to make one pretty good unit. Although this present unit is not large enough, it will do the job until something better becomes available. This is the largest tanker in the area, and we have had several mutual aid calls for it already. We have also been able to get drinking water in the station, thanks to the generosity of Joe Bolduc, Jr., who allowed us to tie into his well which adjoins the station.

Last year we were allotted a 1960 Dodge 4-wheel drive vehicle, by the New England Regional Commission. Through last winter we were able to make it into a very effective, compact and economical forest fire fighting unit. All this was done at very little cost to the town. Much of the equipment carried on this forestry truck was purchased by the Fremont Firemen's Association. This vehicle has proved it's worth several times, in that it can go much further into the woodlands than the larger tank trucks are able to, because of weight, length, general maneuverability and so forth.

The department also received a large capacity trailer-mounted pump through the generosity of Mr. Allen Rislove, for which we are very grateful.

We are still faced with the problem of persons unknown who are setting both woods and structural fires. Apparently, the persons responsible for these fires do not realize the life endangering situations which are created, not to mention the cost of these incidents to the town's taxpayers. The cost of just one of these fires was in excess of \$1,000.00; that is approximately 10% of the entire Fire Department budget for 1978.

This year the Fire Department is asking for a new Class A pumper to replace Engine 1, which is a 1947 Ford. This truck is terribly overloaded, and it has become impossible to find parts for it. The last replacement distributor, for instance, had to come from Texas. The brakes are just not up to modern day standards; if someone were to stop suddenly in front of this truck, he would be in big trouble. This vehicle is 32 years old.

Engine 2 (our newest, a 1961 GMC), will be 20 years old in 1981. At the 20 year mark, the Insurance Service Office (ISO), recommends replacement of this unit to maintain our present insurance rate. It may be possible to have this pumper tested and recertified, but the ISO will not give us a commitment as to how long this recertification will meet their approval. The ISO simply will not state that recertification will last one year, two years, or whatever. The ISO also recommends a back-up pumper, of at least 500 gallons per minute capacity. If we were to replace Engine 1, we would have that capacity in Engine 2.

The reason that we feel strongly that we must obtain the truck in this years Town Meeting is the construction, or lead time required to get this

truck from the manufacturer. This lead-time presently runs about 12 to 18 months from most companys.

Another factor to be taken into account is the rate of inflation. Thus far, two of the manufacturers with whom we have spoken within the last year have added approximately \$9900. to the price of this year's truck, over the price of last year's model. This is just the amount which we are putting into the Capital Reserve Fund; at this rate, we are not gaining a fire pumper, but just keeping up with the inflation rate, with nothing to show for it.

I would like to take this opportunity to remind all residents that it is necessary to obtain a permit to install any new, oil-fired heating system. After the system has been installed it must be inspected, and another permit issued for the operation of the burner. Failure to follow these specifications could result in questions as to insurance coverage in the event of a fire. For any information concerning oil burner installation, and for permits, contact Captain Lloyd Metevier at 895-2942, after 5:00 p. m.

Finally, I would like to express my warmest personal thanks to the officers and men of the Department who have given of their time generously and unselfishly. In all aspects of our job, be it housekeeping, maintenance of equipment, training or firefighting, these men have given their all. Thanks fellows, for a job well done.

Respectfully submitted
Richard C. Heselton
Chief

The following is a list of the fires to which the Department responded during 1978:

FIRE CALLS IN 1978

January		
1	North Main Street	Oil Burner
11	Stand-by for Raymond FD	
13	Don Strople	Chimney fire
17	Clint Ebert	Chimney fire
23	Len Bonagura	Woodstove overheat
26	Costanza residence	House fire
27	Stand-by for Raymond FD	
31	William Boden	Chimney fire
February		
8	Stand-by at Brentwood FD	
12	Dump fire	
12	Lloyd Bishop	Clothes dryer fire
18	Stand-by for Raymond FD	
20	Philip Copp	Garage fire
20	Peterson Road	Car fire
24	Dan McKay	Chimney fire
24	Water's Brothers Garage	Ambulance assist
24	Dischino residence	Gas check
March		
7	Don Strople	Chimney fire
23	Chuck Harkins	Smoke Ejection
25	Dump Fire	
26	Stand-by at dump	

April		
1	Dump	
2	Denny residence	Chimney fire
4	Spaulding and Frost	Ambulance assist
9	Fremont Motor Sales	Tank Truck Spill
15	Chester Road	Grass fire
16	Accident	
26	Sandown Road	Woods fire
27	Mutual aid to Brentwood	Woods fire
28	Ernest Picard	Chimney fire
30	Woods North of Abbott Road	Woods fire
May		
1	Mutual aid to Raymond FD	
1	Bogs Bridge Area	Woods fire
2	Steven Menard	Tree house and brush fire
3	Sandown Road	3 brush fires
7	Beede Road	Woods fire
13	LeFrancoise residence	House fire
14	On river Walsh residence	Camp fire
18	Siatkowski residence	Chimney fire
June		
15	Leavitt Road	Unauthorized burning
19	Ellis School	Alarm problem
19	Ronald Sears	Oil burner problem
25	Clough's Bridge	Illegal campfire
July		
3	Abbott Road	Malicious tire fire
4	Woods West of Sandown Road	Summer camp fire
11	Philip Peterson	Hay harvester fire
13	McRae residence, Beede Hill	Small fire under barn
18	Dischino residence	Oven fire
21	South Main Street	Car fire
21	Stand-by for Brentwood FD	
August		
15	South Main Street	Gasoline washdown
25	Ellis School	Alarm problem
September		
9	Woods fire	
13	Robert Davis	Chimney fire
17	Stand-by at Kingston FD	
20	Red Brook Road	Hay fire

October		
3	Assistance to Danville FD	Lost child
4	Mutual aid to Raymond FD	
5	Mutual aid to Raymond FD	
5	Dave Motowidlak	Chimney fire
9	Magoon residence	House fire
12	Mutual aid to Exeter FD	
16	Plante residence	Chimney fire
22	Mutual aid to Candia FD	
28	River Road	Car and grass fire
28	Sandown Road	Tree fire
29	Beach Street	Medical assist to Ambulance
November		
2	Woods fire	
2	Mutual aid to Exeter FD	
2	Sandown Road	Malicious tire fires
3	Beede Hill Road	Car fire

4	North Main Street	Car fire
6	Scribner Road	Brush fire
14	Rescue call	
19	Sandown Road	Woods fire
21	Philip Davis	Oil burner problem
21	Spruce Swamp	Rescue call lost person
27	N. H. Pulp Co.	Building fire
December		
1	John Canny	Chimney fire
2	Brian Hamilton	House full of smoke
6	Wayne Frost	Pump out cellar
9	Mutual aid to Brentwood FD	
12	Diane Johnson residence	Washing machine fire
16	Leon Anderson	Chimney fire
29	Sandown Road	Controlled burn

Report of District Forest Fire Chief and Your Forest Fire Warden

For more than 80 years, a cooperative effort between the State of New Hampshire and local forest fire authorities has created a forest fire prevention and suppression program that is recognized as superior throughout the United States.

Since the first forest fire laws were written in 1895, the state and local community governments have worked together to prevent and combat forest fires.

Today, 249 forest fire wardens and more than 1,800 deputy wardens are appointed every three years by the State Forester to work with the members of the State Forest Fire staff in this effort. State funds are used to pay one-half the cost of forest fire suppression costs incurred by local forest fire organizations, within pay rates established by the Governor and Council. State funds matched by local funds are used to purchase hand tools to suppress forest fires, to train local forest fire crews and in forest fire prevention work.

All outside burning, when the ground is not covered with snow, is permitted only after obtaining a written fire permit from your local Forest Fire Warden. Penalty for burning without a permit when one is required is a misdemeanor punishable by a fine up to \$1,000 or a jail term of up to one year or both.

REMEMBER, ONLY YOU CAN PREVENT FOREST FIRES!

1978 Forest Fire Statistics

Forest Fire Warden

Report of the Fremont Police Department

I would like to report the annual account of the Fremont Police Department for the year 1978. The following is a breakdown of the types of complaints encountered in 1978:

Armed robbery	1	
Arrest	9	
Assaults	6	
Automobile accidents	51	(1 fatal)
Breaks	17	
Court	22	
Direct traffic for fires	28	
Dog complaints	37	
Domestics	10	
Messages delivered	6	
Miscellaneous	202	
Motorcycles stolen	2	(1 recovered)
Petty theft	3	
Prowlers	5	
Runaways	1	
Suspicious vehicles	17	
Vandalism	17	

Members of the Fremont Police Department attended a school sponsored by the Crime Commission. This course pertained to juveniles.

I would also like to thank the townspeople for making it possible for us to purchase the moving radar unit. Many hours have been put in enforcing the speed limits. We feel that it has been an asset because the number of "speeders" and speeding complaints has decreased.

We have encountered a problem with dog complaints this year. All dogs should be tied, especially during the winter months. Loose dogs run in packs, and they not only attack deer but also other dogs that are tied up.

In closing, I would like to thank my officers for their excellent performance this past year and the residents of Fremont for their cooperation.

Gordon D. Copp
Chief of Police
Fremont, New Hampshire

Report of Fremont Conservation Commission

— 1978 —

The Fremont Conservation Commission held its Annual Wildlife Tree and Shrub Program in March, and, as usual, this event was well attended. Two excellent films were shown and orders were taken for free shrubs, to be picked up on May First.

The Committee continued its planting at the Pratt Memorial Park, putting in a white birch and two more white spruces. Grass seed and fertilizer was also applied. All trees were mulched with well-rotted manure from the Bonagura farm and water was carried for them from the Exeter River. The Town Hall shrubs were pruned, window boxes planted and a Euonymous plant set in front of the Soldier's Monument.

Elmer A. Schramm
Chairman

Report of Building Inspector

With many people supplementing their heating needs, by use of wood burning stoves, I would like to remind them of *Article V—Section 4* of the Town Zoning Ordinance.

Mainly — All chimneys are to be of masonry construction with tile flue liner and clean-out at base. No smoke-pipe to pass through any floor or partition. This code supercedes any underwriters label.

A summary of permits issued during the year:

New Construction	14
Garages, Barns, Sheds	5
Additions, Replacement Improvement	28
No charge	6

Total 53 Issued for Year.

Once more I wish to thank all those serving on the various boards. For their assistance and advise given me to carry out my duties.

Kenneth Shute
Building Inspector

February 13, 1979

The Selectmen
Town of Fremont
Fremont, New Hampshire 03044

Gentlemen:

I have examined the accounts of the following Town Officers:
Town Clerk, Tax Collector, Treasurer, Selectmen and Trustees of Trust Funds of the Town of Fremont, New Hampshire for the calendar year ending December 31, 1978.

All vouchers were accounted for and all accounts were found complete.

Respectfully submitted,
Herman Ostendorf
Town Auditor

Report of the Library Trustees

Operating expenses for the Fremont Library for 1978 were: Librarian's Salary, \$1,070.61. Heating Oil, \$220.07. Electricity, \$73.99. Books purchased, \$668.84.

This year we welcomed John Gieroch as a Library Trustee who was appointed to this post to replace John Kalinowski, who moved to Connecticut. A hearty "thank you" to John for his efforts during his term of office.

Library hours are: Tuesday 4 - 8 p. m. — Thursday 1 — 5 p. m.

School Warrant

STATE OF NEW HAMPSHIRE

To the inhabitants of the School District in the Town of Fremont qualified to vote in district affairs:

You are hereby notified to meet at the Laurence Pettengill Hall — Ellis School in said District on the twelfth day of March 1979, at eight o'clock in the evening, to act upon the following subjects:

1. To hear the reports of agents, auditors, committees, or officers chosen and pass any vote relating thereto.
2. To see if the District will vote to authorize the school board to apply for, contract for, accept and expend aid from the Federal, State and County governments in connection with the Manpower Jobs, Program for the economically disadvantaged for training programs, in such sum or sums as may be available from said program.
3. On petition of ten legal voters (and more) to see if the District will vote to rescind Article V of the District Meeting of March 13, 1978 and vote to provide transportation of high school students to Sanborn High School only.
4. To see if the District will authorize the School Board to make application for, to receive and spend in the name of the district such advances, grants-in-aid or other funds for educational purposes as may now or hereafter be forthcoming from Federal, State, Local or Private Agencies.
5. To see if the District will vote to authorize the School Board to change the position of Assistant Superintendent in Supervisory Union No. 14 to Business Manager beginning July 1, 1979.
6. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents, and for payment of statutory obligations of the district.
7. To transact any other business which may legally come before this meeting.

Given under our hands at said Fremont this 14th day of February 1979.

Budget Committee

School District Meeting

March 13, 1978

The School District Meeting for the Town of Fremont opened at 8'00 p. m. at the Laurence Pettengill Hall, Ellis School, in said district. Mr. George H. Baker Moderator, made the following announcement:

The Chair will use as guides for the conduct of this meeting the Simplified Parliamentary Rules, Roberts' Rules of Order, and the New Hampshire Annual School District Meeting Handbook, and for points of law, the Revised Statutes Annotated, State of New Hampshire.

That the School District Clerk may get an accurate record of these proceedings, when making motions or asking the Chair's recognition, please state your name for the record.

As this is your meeting and the only place to get accurate answers to your questions, please feel free to ask to be heard. Speak loudly so that all may hear.

The only persons other than Town of Fremont legal voters the Chair will recognize are the Superintendent of Schools for this District or his Agent, and Mr. Standen, Principal of Ellis School.

I will now read the Articles of the Official Warrant to be acted upon at this Meeting; then we will act on each Article separately.

In compliance with New Hampshire RSA 197:5, no article other than those contained in the Official Warrant may be introduced at this School District meeting.

ARTICLE I.

To hear the reports of Agents, Auditors, Committees, or Officers chosen and pass any vote relating thereto.

Mrs. Ann Davis, School Board member, asked to put a report into the record. The Moderator explained that the report that Mrs. Davis was about to present reflected a motion made at last year's School District Meeting by Mrs. Ruth Anderson:

"To see if the District will vote to authorize the School Board to meet with the authorities of Sanborn Regional and Pinkerton Academy to discuss a long term high school tuition contract, also to bring back all information at next year's School District Meeting in regard to course descriptions offered at each School, along with any other necessary information."

Mrs. Davis made the following report:

	Sanborn	Pinkerton
Tuition charged Fremont		
78 - 79	\$1,636	\$1,350
Distance from Fremont	5 miles	15 miles
Number of students		
(Approximate)	500	1800 — 1900
Educational philosophy	non-traditional	traditional
Passing grade	60	70
Sports	13 skills offered	13 extra-curricular sports
Football	No	Yes
Languages	French & Spanish	French 4 years
	4 years	Spanish 3 years
	(3rd & 4th years combined)	Latin 2 years
Art	2 years	3 years
Music	Band	Bands, choruses
		Music theory and appreciation
Study Halls	Open campus except first quarter of freshman year or when student is failing.	All students in quiet study halls or library except "senior privileges".
Smoking	Yes, in one out-of-doors area.	No

At Sanborn the program of studies is planned on the basis of mini-courses lasting one term ($\frac{1}{4}$ year) and carrying $\frac{1}{4}$ credit. There are more than 150 choices covering a wide variety of experiences from very academic to really practical.

A total of 17 credits (68 minicourses) are required for graduation. These must include 4 credits in English, 2 credits in Social Studies one of which *must* be in American History, one credit in Math, one in Biology,

one half credit in physical education and also one physical education elective both Junior and Senior years. There is a V.I.P. program for students with significant educational problems.

At Pinkerton students choose from nine curricula: Agribusiness and Natural Resources, Business Training, Classical, Commercial, ESR Management (Forestry), Home Economics, Scientific, Social Science and Vocational. Each of these has certain requirements and many electives each year, making a total of some 100 offerings. Levels appropriate to various abilities are offered for many courses. There is also a CORE program in which students with learning problems work at their own pace until able to enter the regular course of study.

For graduation a pupil must complete the prescribed studies in one standard curriculum and receive credit for 16 units of school work plus ½ credit in physical education and be in good standing. All courses include the basic New Hampshire state requirements of English (4 years), Science (1 year), Math (1 year), and Social Studies (2 years, one of which must be U. S. History).

Relative to the same subject, Mr. James O'Connell, School Board Member, read into the record a letter from each of the governing bodies of the foregoing schools:

January 5, 1978

Fremont School Board
Supervisory Union No. 14
R.F.D.
Epping, New Hampshire 03042
Gentlemen:

On Wednesday, January 4th, The Sanborn Regional School Board voted to investigate the possibility of a long-term contract for the tuitioning of high school students from Fremont to Sanborn Regional High School.

As Mrs. Stiner who attended this meeting will concur, the Sanborn Regional Board appeared to be in agreement that a long-term contract could be worked out if Fremont so requested.

If I can be of further assistance at any time, please contact me.

Sincerely yours,
/s/Harry E. Ryerson
Superintendent of Schools

January 30, 1978

Mr. Robert Louis, Chairman
Fremont School Board
Fremont, New Hampshire
Dear Mr. Louis:

As you requested, the Trustees of Pinkerton Academy considered your request for your district to enter into a long term contract with the Academy, for the secondary education of Fremont students.

I am sorry to report to you that the Trustees cannot enter into a contract. Space limitations and the obligation of Pinkerton under existing contracts make any additional contracts impossible.

Pinkerton will continue to accept students from any source on a space available basis. We trust that you will be able to work out a satisfactory solution for your students at the secondary level.

Sincerely,
/s/Frederick H. Manning
President, Board of Trustees
Pinkerton Academy

cc: Mr. Francis Wilson

There being no discussion on the report, Mr. James O'Connell made the motion to accept *Article I* as read. Seconded by Mrs. Mary Stiner. The motion was carried by voice vote.

ARTICLE II.

To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the District.

Mrs. Davis made the motion that Article II be by-passed and considered with Article VI. Seconded by James O'Connell. The motion was carried by voice vote.

ARTICLE III.

To see if the District will vote to authorize the School Board to apply for, contract for, accept and expend aid from the Federal, State and County Governments in connection with the Manpower Jobs Program for the economically disadvantaged for training programs, in such sum or sums as may be available from such program.

Mr. James O'Connell made the motion that the District authorize the School Board to apply for, contract for, accept and expend aid from the Federal, State and County governments in connection with the Manpower Jobs Program for the economically disadvantaged for training programs, in such sum or sums as may be available from said program.

Seconded by Mary Stiner. The motion was carried by voice vote.

ARTICLE IV.

To see if the District will authorize the School Board to make application for, to receive and spend in the name of the district such advances, grants-in-aid or other funds for educational purposes as may now or hereafter be forthcoming from Federal, State, Local or Private Agencies.

Mrs. Mary Stiner made the motion that the District authorize the School Board to make application for, to receive and spend in the name of the district such advances, grants-in-aid or other funds for educational purposes as may now or hereafter be forthcoming from Federal, State, Local or Private Agencies.

Seconded by Ann Davis. The motion was carried by voice vote.

ARTICLE V.

To see if the District will vote to authorize the School Board to provide high school transportation to Pinkerton Academy and to Sanborn Regional High School.

Mrs. Mary Stiner made the motion that the District authorize the School Board to provide high school transportation to Pinkerton Academy and to Sanborn Regional High School.

Seconded by Ann Davis. Discussion followed.

Mr. Steve Menard inquired of the School Board how many students were presently attending Pinkerton from Fremont. The answer was 19.

There being no further discussion, the Moderator called for the vote. The motion was carried by voice vote.

Mr. Steve Menard questioned the vote and made a motion for a standing vote. Seconded by Ray Bernier.

Results of standing vote: Yes — 55, No — 28, motion carried.

Mr. Richard Heselton rose and made the remark that there were no funds available for this transportation, and that this only gave the School Board authority to provide transportation.

ARTICLE II and ARTICLE VI.

To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the District.

To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents, and for the payment of statutory obligations of the district.

Mrs. Ann Davis made the motion that the District raise and appropriate \$439,466.00 for the support of schools, for the payment of salaries for school district officials and agents, and for the payment of statutory obligations of the district. Seconded by Mary Stiner.

Mr. Charles Rowe questioned the School Board about the \$1,000 figure for sites. He was informed by the Moderator that by voting on the budget line by line this figure could be discussed.

Mr. Carmen Ragonese made the motion to go through the budget line by line. Seconded by Mr. Charles Healey. Because the voice vote was indecipherable, the Moderator asked for a standing vote. Sixty-one — yes, No — 22, motion carried. A vote on the budget line by line commenced.

Mr. Robert Louis questioned the figure of \$20,680 for Pupil Transportation. With the cost of everything rising, plus 150 additional miles to transport pupils to Pinkerton, how can this figure remain the same as last year.

Mrs. Stiner answered that this figure would remain the same because Article V asked for the authority only to provide transportation; it does not state that the School Board must provide transportation.

During the past year the Fremont School Board has had a committee which has been working on school transportation. Except for one member, the committee feels that transportation should be available to Pinkerton Academy students, along with those who attend Sanborn Regional — if this can be done without additional costs.

Approximately one-quarter of our high school students next year are enrolled at Pinkerton, and the School Board agrees with the transportation committee in that we would like to be able to provide transportation to these students if we can do so under the terms of our present bus contract, which runs until June, 1981.

Therefore, we would like to make it clear that this Article is asking for only bussing authority — the School Board will continue to provide busses to Sanborn Regional, and may be able to work out some form of transportation to Pinkerton Academy, if given the authority to do so by the passing of this Article.

It was moved by James O'Connell and seconded by Mary Stiner to accept this item in the budget. Carried by voice vote.

A question was raised on the \$1,000 figure for Sites under Capital Outlay.

Mrs. Stiner explained that this was for an option in case the property next to the school could be bought. Without the availability of this money, the School Board could not act if the land became available and without more land, Ellis School could not be enlarged. If the money is not spent, it will be returned to the Town.

Mr. O'Connell read a letter from Mr. Roy Cheever, owner of the land adjacent to the school:

Dear Mr. O'Connell:

At the present time, the farm is in the hands of Paul Brown, Real Estate Agent in Raymond, New Hampshire.

There are two owners of this property, myself and Robert A. LaCentra. Mr. LaCentra has become incapacitated and his family wish to resolve all his commitments.

I will be retiring in three or four years and I would like to buy the other half of the farm if it doesn't sell at the price so stated. The value of this land and buildings warrant large acreages and to separate the land would destroy its value.

Mr. LaCentra is under conservatorship and at this time the conservators do not feel that this land should be separated or subdivided.

Very truly yours,
/s/Roy P. Cheever

Mr. Charles Buhrman stated that he did not think it was a good idea to limit the School Board to just buying the land. In his opinion, there was no risk in making an offer on the entire property, keeping what we need and selling the rest.

Stuart Langton asked for a hand count on the vote. Seconded by Selectman Waddell. Yes — 56, No — 18. Motion carried.

Under Debt Service, it was noted that the school debt will be completely paid off in eleven years.

Mr. Theron Young, Sr. made a motion to reconsider Line 500, Pupil Transportation. Seconded by Meredith Bolduc. Rejected by voice vote.

The motion already on the floor made by Ann Davis and seconded by Mary Stiner that the District raise and appropriate \$439,466.00 for the support of schools, for the payment of salaries for school district officials and agents, and for the payment of statutory obligations of the district was passed by voice vote.

ARTICLE VII.

To Transact any other business which may legally come before this meeting.

Mr. Theron Young, Sr. proposed the following Resolution: Be it resolved that all transportation expenses of any student 14 years of age or older shall be paid by the student or his or her parent or guardian. The amount of expense to be determined on a per capita basis. The Resolution was rejected by voice vote.

Mr. James O'Connell announced that he had just received notice from the New Hampshire State Department of Education that the preliminary estimate of State Foundation Aid to Fremont was \$34,831.31. This would be used to help offset any tax rise.

Mrs. Mary Stiner announced that on behalf of the School Board and the School District of Fremont, we would all like to extend appreciation to James O'Connell for his many years of dedicated service on the Fremont School Board.

Mr. O'Connell received a well-deserved round of applause from all those present.

Mrs. Ann Davis made a motion to adjourn. Seconded by Mary Stiner. The meeting adjourned at 9:45 p. m.

Barbara D. Baker, *Clerk*
Fremont School District

The foregoing is a true record of the meeting as held, Attest:

Barbara D. Baker, *Clerk*
Fremont School District

Superintendent's Report

The major thrust of the Superintendent's report to you this year was to be "Accountability". Especially as this issue pertains to Supervisory Union #14 and more particularly to Fremont.

However, since Mr. Mark Joyce, our Supervisory Union #14 Accountability Committee Chairperson (he also serves as elementary school principal in Epping) has submitted such an excellent progress report to me I shall simply relay to you what Mr. Joyce reported:

The topic of "Accountability" in education is receiving more and more attention of late.

Taxpayers are asking for a clear accounting of their tax dollars. Parents want to insure the quality of their child's education, in view of declining national test scores. Educators want to clarify their areas of responsibility and insure quality education.

Although the demands being expressed by taxpayers, parents, and educators appear to be different; each of these groups is concerned with delivering a quality education to children.

In order to satisfy this demand in New Hampshire, the State Department of Education has directed each school board in the state to formulate a plan of accountability. This plan must include a detailed description of each step the educational unit will take in developing an accountability program.

In compliance with this directive, the school boards of Chester, Epping, Fremont and Newmarket met on several occasions to discuss available alternatives. As a result, the Union Board agreed to join together and formulate a plan by which they would be able to share certain costs and to pool other resources.

In October of 1978, the school boards of Supervisory Union No. 14 established a representative planning group, composed of teachers, administrators, school board members and parents from each of the four towns. This local planning group (LPG), under the directions of a part-time coordinator, has met bi-monthly beginning in October, in order to design the Union No. 14 plan of accountability.

The Supervisory Union No. 14 plan, as outlined, calls for the four schools to complete a six step process by June of 1981.

The first step in the process is the development of "Essential student outcomes" for students at the 4th, 8th and 12th grade levels in the subject areas of English Language Arts-Reading, Mathematics, and History and Government.

Secondly, the plan calls for the development of "performance indicators" or ways of measuring success for each of the outcomes listed above.

Thirdly, we will design or buy a testing instrument and procedure that will measure the performance indicators listed in item two.

Fourthly, we will develop a process that will analyze the assessment data and provide useful information about the school program to teachers, parents, administrators and taxpayers.

The next step will be to develop a process by which the results will be

reported regularly to the State Department of Education and to the local community.

Finally, and most importantly, we will develop a process by which the information gained will be used to develop a management plan for each of the four towns. This management plan, operating under the premise of "mutual accountability" will assess program effectiveness in the four major academic areas and facilitate the realignment of resources that may be necessary to achieve better results.

In summary, it is the belief of the Local Planning Group (LPG) that the term "accountability" must be defined and interpreted for purposes of this plan and our project as "mutual accountability".

Mutual Accountability is a comprehensive planning and management process in which responsibility for student learning is defined and shared among students, teachers, administrators, school board, parents, and community.

You will also note that in addition to what Mr. Joyce has said Mr. Standen feels that accountability is a major issue this year.

Mr. Standen reports:

This year the towns and cities throughout New Hampshire are embarking upon an accountability plan. This has come about because the citizens' of New Hampshire have expressed a desire to improve the education of their children. Because there is a direct relationship between formal education and how well each of us are able to lead a quality life, this desire for improvement has been realized. So that we may more easily begin an improvement of this magnitude, the parents of New Hampshire school children are asked to persist in playing an active role in education. The school board in each community is urged to use reliable management and planning practices. The teachers and administrators throughout the State will be asked to identify reasonable student outcomes.

With the joint cooperation of these three segments of society, the students in each school district should experience a dynamic and meaningful educational experience which will result in a quality education. The taxpayer will then be sure of receiving true value for his investment.

The towns of Chester, Fremont, Newmarket and Epping have banded together to achieve these sound educational goals for young people. Our local accountability plan is being drawn up by teachers, school boards and administrators. During the planning process students, parents and other concerned citizen's will have input into the finished product.

The State Department of Education will assist local school districts in carrying out the total plan. The Commissioner of Education has created a Joint Management Council and an Accountability Unit that will help our local planning group to develop and implement the planning process. Two groups of consultants will be available to assist local districts to assess the desired outcomes.

The main purpose of our State's educational system is to assist each student in achieving his or her full learning potential. In the beginning four fields of curriculum will be monitored:

- (1) English language arts and reading.
- (2) Mathematics.

- (3) United States history and government.
- (4) New Hampshire history and government.

As the plan develops other curriculum areas will be included.

The Superintendent's annual report, even though most of the material used came directly from Mr. Joyce and Mr. Standen, would be grossly incomplete without acknowledging and commending Assistant Superintendent Ira Stickney for all he has done for the Fremont School District, and in turn, for the children of Fremont.

For the past several years, Mr. Stickney has served as Assistant Superintendent in Supervisory Union No. 14, in charge of the Fremont School District affairs.

Mr. Stickney was forced to retire a few months ago after a period of illness.

I'm sure that all the school board members, Mr. Standen and his teachers, the pupils and all the citizens of Fremont join me in wishing Ira the best in his retirement. His invaluable educational expertise will be missed for a long time to come.

Respectfully submitted

Francis C. Wilson

Superintendent of Schools

Report of the Fremont School Board

The Education for All Handicapped Children Act of 1975 (Public Law 94-142), a federal law, has brought a heavy financial burden to all school districts. Educational services for handicapped children within the public school systems are becoming realities. Lower court decisions, state legislation, and federal legislation have required public schools to provide an appropriate education in the "least restrictive environment" for all handicapped children. This movement, "Mainstreaming", is having a dramatic impact upon the way special needs children are educated.

However, the law's severely inadequate funding level places the main financial burden on the local communities. Federal and state agencies say to the schools "you must . . ." but moneys for programs, personnel, materials, and added teacher training for "must" items are not allocated in any substantial amount.

The Fremont School District budget reflects this situation for the 1979-80 school year. The sum of \$45,008.00 is earmarked for special education needs. This amount is based on the requirements of children already identified here in our district. It does not begin to cover the cost of all the mandated federal and state services, nor does it allow for any sizeable growth factor in the number of special education students.

An Accountability Program, also mandated by the state, has added an additional \$800.00 to the coming budget. Again, this is a rock bottom figure, based on the state timetable of what "must" be done during 1979-80.

The Fremont School Board would like to point out that if moneys for these two programs were not included in the budget total, the increase would be approximately 4½ %. However, the Board and the District must be governed by the laws, and therefore must bear a large percentage of the costs.

On the plus side, Ellis School had the good fortune this year to obtain the services of a part-time guidance counselor, at no cost. Student response grew to be almost overwhelming, and the professional staff has noted excellent results from the counseling. The Board feels that this year's experience has proven the need is there, but the added cost cannot be born by taxpayers at this time.

Again, the Board would like to thank the Fremont PTA for continued support. This organization's budget for 1978-79 shows over \$9,000.00 being spent toward programs and services at Ellis School. Assembly programs, library books and magazines, a dental clinic, class trips, athletic equipment, transportation, and many other services directly benefit the children.

The volunteer program, in its second year, is still providing one-on-one tutoring, art classes, and a limited amount of clerical and library help. More volunteers would be welcomed.

Fremont School Board meetings are normally held on the fourth Monday of each month at 6:30 p. m. at Ellis School. These meetings are open to the public. As Board members, we are elected by the voters of this town. We need communication with you, and support from you, to do our job in the most effective way.
